Assistant Director: Seth Lowther, Assistant/ Goalkeeper Coach Belmont Abbey College, Former Starting Goalkeeper for Belmont Abbey College

Camp Administrator: Jerry Riggs, Former Head Men's Soccer Coach at Mount Olive College

Other College Goalkeepers

Camp Types:

Beginner: The beginner camp is geared more toward our younger keepers who are just learning the game. We will focus on catching and body position as well as other simple techniques that are the first steps in being a keeper.

Developmental: The developmental camp is for players that have a few years of experience and are looking for more repetition and teaching to continue to build and develop their skills.

Elite: The elite camp focuses on goalkeepers looking to refine their technical understanding and skills in preparation for the next level. We will focus on shot-stopping, diving, winning balls in the air and reaction saves all in an intense and demanding environment.
