SPRING CLEANUP WEEKEND APRIL 26th & 27th, 2014

SWEEP UP, PICK UP, CLEAN UP

Recycling bins, pictured here are available at Jaycee Park, City Park, Shevans Park, Newport River Access Pier, Rotary Park and O'Neil Ball Park

SPECIAL POINTS OF INTEREST

- Allow paint to dry in cans, then place beside rollout cart for collection.
- Hazardous waste must be disposed of by other controlled methods. (See Below)
- Be sure to separate materials such as yardwaste, C&D from other solid waste.
- Please bag or box small items and stack neatly by street edge.

The Town of Morehead City and Waste Industries are proud sponsors of our Annual "Spring Cleanup". Residents on our Roll-out cart service are encouraged to clean up their porches, attics and yards, and placing items intended for collection by the street edge the weekend of **APRIL 26th & 27th, 2014.**

Items are to be placed neatly at the streets edge and **will be picked up during normal collection routes.**

Items that will be accepted during this cleanup are furniture, appliances, bedding, carpet, boxes, and all yardwaste items, including firewood. Paint can be collected by removing the lids and allowing to completely dry. Once dry place by the street for collection. Major DIY or Contractors construction, demolition or landscaping debris **will not** be collected.

Most preparation requirements will be relaxed; however weight restrictions of 50 lbs. per item will still be required. Please keep Debris, yard waste and Bulk items separate from each other. Place loose items in boxes or bags per weight restrictions. Also, when placing **yardwaste** for collection be sure that placement is not under phone, power, or cable lines. When placing loose items out for collection, do so they will not become windblown.

Items that are classified as hazardous waste such as, used motor oil, thinners, pesticides etc. **can not** be accepted as part of this cleanup. See the information below for instructions on how to dispose of these items.

Let's all pitch in and make our community a cleaner and safer place to live.

HOW TO DISPOSE OF HOUSEHOLD HAZARDOUS WASTE

The following is a list of items that cannot be included in this clean-up and information on proper disposal.

These items may be disposed of at the Carteret County Convenience site, located on Hibbs Road in Newport.
